

QUICK-START NAMES LIST

WorldVentures can become everything you want it to be if you get off to a quick start. The key is identifying your **'Best 5-10'** prospects that you think would KILL this deal and be fun to work with. The goal is to sign up 4 (and pay no more) then a total of 6 to get \$570 back in your pocket ASAP. It all happens in 2 weeks or less. **Let's Make It Happen...Together!**
